

REMARKS

Upon entry of the present Amendment, the claims in the application are amended claims 8 and 9, and new claims 10-13.

New claims 10-13 cover the subject matter set forth in amended claims 1-3 appearing in the corresponding PCT Published Application.

Applicant provisionally elects the species set forth in claims 8 and 9 and new claims 10-13.

New claims 10-13 are readable upon the elected species.

It is understood that upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all of the limitations of an allowed generic claim. It is respectfully submitted that new claim 10 is a generic claim.

Applicant includes herewith a Petition For An Extension Of Time and a form PTO-2038 to cover the extension fee.

Favorable consideration is respectfully requested.

Respectfully submitted,
